

Thank You to Our Generous Donors

Fulfilling our mission of creating life-changing wishes for children with critical illnesses would not be possible without the generous support of our community. We are sincerely grateful to all of the amazing volunteers, donors and supporters who contribute each year towards making extraordinary wishes happen. We especially wish to recognize the following individuals, corporations, foundations, external events and service clubs who donated \$1,000 or more, cash or in-kind, during our 2017 fiscal year (January 1 to December 31, 2017).
